This is one of the Primary Resource Books for Teachers series which address the needs of primary teachers, teacher trainers, and trainee teachers. Each book contains 60 to 100 activities for primary children and 20 photocopiable worksheets along with guidance for the teacher and a description of the aim, level and age range of each activity. Drama with Children contains ideas for engaging primary classes in such activities as mime, role play, chanting, puppets and short plays. There is an outline of the rationale behind using drama with children and advice on when to use it.
