In the darkness, in a lake in the middle of a prosperous college town, Rachel Matre feels the water caressing her bare skin, teasing her senses, drawing her body into a lush erotic embrace. For twenty years she has communed with the lake spirits this way—and told no one. The price is simple: She must help those in need.

But now a series of young women have gone missing. The police don't have any bodies, or even a single suspect. Only the spirits seem to sense the truth. Through them, Rachel finds herself drawn into a madman's web. She alone can save the missing women. But who can save her?
